- a) nothing in this Agreement shall exclude or restrict any obligation which we have to you under Applicable Regulations;
- b) we may take or omit to take any action we consider necessary to ensure compliance with any Applicable Regulations;
- c) all Applicable Regulations and whatever we do or fail to do in order to comply with them will be binding on you and on us in all our dealings; and

Any such action shall be binding on you. If a regulatory body makes an enquiry in respect of any of your Transactions, you agree to co-operate with us and to promptly supply information requested in connection with the enquiry.

5. COSTS, PAYMENTS AND CHARGES

Charges

You shall pay our charges as agreed with you from time to time, any fees or other charges imposed by a clearing organisation and interest on any amount due to us at the rates then charged by us (and which are available on request). Any alteration to charges will be notified to you before the time of the change, where we deem the change to be material, unless such change comes as a result of an unforeseen market circumstance, where we may notify you on or after the event. A copy of our current charges is published on [our website](#).

Prior to entering into a transaction with us, you shall ensure that all applicable charges, such as spread, commission and swap are taken into consideration when placing an order. Please contact our support team if clarifications are needed on how charges are applied. Any applicable charges shall be instantly deducted from your account equity.

Charges may not all be represented in monetary terms but may also appear in other units such as pips, the value of which can vary depending on the instrument.

Additional costs

You should be aware of the possibility that other taxes or costs may exist that are not paid through or imposed by us.

Payments

All payments to us under this Agreement shall be made in such currency as we may from time to time specify to the bank account designated by us for such purposes. All such payments shall be made by you without any deduction or withholding.

Rollovers, Interest

A daily financing charge (rollover, swap) may apply to each CFD open position at the closing of the Company's trading day as regard to that CFD. If such financing charge is applicable, it will

either be requested to be paid by Client directly to the Company or it will be paid by the Company to Client, depending on the type of CFD and the nature of the position Client holds. The operation is conducted at 23:59 (server time) and the resulting amount is automatically converted into your balance currency. The method of calculation of the financing charge varies according to the type of CFD to which it applies. Moreover, the amount of the financing charge will vary as it is linked to current interest rates (such as LIBOR).

For CFDs on currency pairs, commodities and indices traded on our platforms, a rollover is charged once for every business day from Thursday to Tuesday, where on Wednesdays a rollover is charged three times the size in order to account for the weekend.

For CFDs on equities / shares, a rollover is charged once for every business day from Monday to Thursday, where Fridays are charged three times the size in order to account for the weekend. Further information on rollover charges can be found on our website.

Commissions

For certain types of CFDs, a commission is payable by the Client to open and close CFD positions. Currently commission is payable for transactions in CFDs on equities / shares. Such commission will be debited from the Client's account at the same time as the Company opens or closes the relevant CFD. Clients need to always check our website for the current commissions charged. Commissions may change quickly due to market conditions (changes in interest rates, volatility, liquidity etc.) and due to various risk related matters that are at the firm's sole discretion.

6. NEGATIVE BALANCE PROTECTION

The Company offers negative balance protection to all Clients, regardless of their categorization being Retail or Professional.

The Company provides you with negative balance protection such that your losses can never exceed your account's Equity. In the event that extreme market conditions result in your account's Equity being negative, the Company will zero your account.

7. RIGHT TO CANCEL

You have a right to cancel this Agreement for a period of fourteen (14) days commencing on the date on which this Agreement is concluded or the date on which you receive this Agreement (whichever is later) (the "**Cancellation Period**"). 10. TRADING POLICIES AND PROCEDURES

Placing of instructions

You may give us instructions in electronic form through the Company's Online Trading System. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorised to follow instructions notwithstanding your failure to confirm them in writing. In this Agreement "instructions" and "orders" have the same meaning.

Types of Orders Accepted

Some of the types of orders the Company accepts include, but are not limited to:

- a) **Good till Cancelled ("GTC")** - An order (other than a market order), that by its terms is effective until filled or cancelled by Client. GTC Orders are not automatically cancelled at the end of the Business Day on which they are placed. Please be

informed that GTC will become redundant in cases where a CFD on future reaches its maturity date.

- b) Good till Date (“GTD”)** – An order allowing Client to choose a specific date in the future until which the order shall remain live and pending for execution. If the order is not triggered during the pre-set timeframe it will be deleted by the system. Please be informed that GTC will become redundant in cases where a CFD on future reaches its maturity date.
- c) Limit** - An order (other than a market order) to buy or sell the identified market at a specified price. A limit order to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit order. A limit order to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit order.
- d) Market-** An order to buy or sell the identified market at the current market price that the Company provides via the Online Trading System. An order to buy is executed at the current market ask price and an order to sell is executed at the current market bid price.
- e) One Cancels the Other (“OCO”)** - An order that is linked to another order. If one of the orders is executed, the other will be automatically cancelled.
- f) Stop Loss** - A stop loss order is an instruction to buy or sell a market at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss order to an already open position). It can be used to help protect against losses. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the stop loss order and as such, stop loss orders are not guaranteed to take effect at the price for which they are set.
- g) Trailing Stop** - A trailing stop is the same as a stop loss order with the only difference being that, instead of setting a price at which the order is activated, the trailing stop order is activated at a fixed distance from the market price. For example, if Client has purchased a long open position and the market ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the order will be executed. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop order and as such, trailing stop orders are not guaranteed to take effect at the fixed distance for which they are set.

Following submission of an order, it is your sole responsibility to remain available for order and fill confirmations, and other communications regarding your Account until all open orders are completed. Thereafter, you must monitor your Account frequently when you have open positions in the Account.

Your order shall be valid in accordance with the type and time of the given order, as specified. If the time of validity or expiration date/time of the order is not specified, it shall be valid for an indefinite period.

Terms of Acceptance for Orders

It is your sole responsibility to clearly indicate the terms of an order when entered, whether it is a market order, limit order, stop loss order or any other type of order, including the relevant price and lot size. You acknowledge and agree that, despite our best efforts, the price at which execution occurs may be materially different to the price specified in your order. This may result from sudden price movements in the underlying assets that are beyond our control. The Company shall have no liability for failure to execute orders. The Company shall have the right, but not the obligation, to reject any order in whole or in part prior to execution, or to cancel any order, where your Account contains margin that is insufficient to support the entire order or where such order is illegal or otherwise improper.

Execution Policy

We are required to have an execution policy and to provide our clients with appropriate information in relation to our execution policy. When executing client orders, we take into account the following criteria for determining the relative importance of the factors referred to in Article 27(1) of Directive 2014/65/EU:

- (a) the characteristics of the client including the categorisation of the client as retail or professional;
- (b) the characteristics of the client order, including where the order involves a securities financing transaction;
- (c) the characteristics of financial instruments that are the subject of that order;
- (d) the characteristics of the execution venues to which that order can be directed.

Where you place orders with us, the execution factors that we consider at least the below factors and their relative importance is as set out below:

- a) **Price.** This is the price at which the financial instrument you decided to trade is executed. On our trading platform we quote the best Bid and Ask prices available to us through our LPs. The relative importance we attach is “high”.
- b) **Cost.** These are the Costs relating to execution. However, the execution venue costs are not a relevant factor for us, as we are always acting as the execution venue for your orders and no third-party fees such as clearing or settlement fees are involved in the execution of your orders. Therefore, the relative importance we attach to this execution factor in our case is “low”.
- c) **Speed.** The speed at which the order can be executed, meaning the time between reception of your order and the time it is allocated. Please be informed that our execution is fully automated, where we have manual execution only in exceptional cases. The speed of execution depends on the internet connection at Client’s end, which in cases of poor connectivity may cause delays in the transmission of data between the Client and us. The relative importance we attach is “high”.
- d) **Likelihood of execution and settlement.** This is the likelihood of executing the order and settlement including, amongst others, the relative liquidity of the venues available for execution . Please note that we are depending on our LPs

for prices and available volumes of the different financial instruments we offer, where the availability may be subject to a number of factors. The relative importance we attach to this execution factor is “high”.

- e) **Size.** The size of the order accounting for how this affects the price of execution. The minimum size of order you can place with us is 0.01 lots. Please be informed, we may place limits on the maximum size of your order. The relative importance we attach is “high”.

We are the principal to every order you place with us and therefore we are the only execution venue.

For more information on the steps taken by the Company to ensure best execution of client orders, please refer to our [Execution Policy](#).

Authority

We shall be entitled to act for you upon instructions given or purporting to be given by you or any person authorised on your behalf by a Power of Attorney duly signed by you. We shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by us in reliance on any such instructions or on the apparent authority of any such persons.

Cancellation/ withdrawal of instructions

Non-market orders may be cancelled via the Company’s Online Trading System, but we can only cancel your instructions if you explicitly request so, provided that we have not acted up to the time of your request upon those instructions. Executed instructions may only be withdrawn or amended by you with our consent. The Company shall have no liability for any claims, losses, damages, costs or expenses, including legal fees, arising directly or indirectly out of the failure of such order to be cancelled.

Right not to accept orders

We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall promptly notify you accordingly.

Control of orders prior to execution

We have the right (but not the obligation) to set limits and/or parameters to control your ability to place orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation):

- a) controls over maximum order amounts and maximum order sizes;
- b) controls over our total exposure to you;

- c) controls over prices at which orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book);
- d) controls over the Electronic Services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); and/or
- e) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

You, the Client, will be notified of any such limitations imposed over your ability to place orders prior to any amendments, increases, decreases, removals or additions applied by us.

You understand and agree that your consent is not necessary for any changes to be effective.

Trade Adjustments

Clients must be aware that Forex transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign currency so that transactions are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client.

The Company exclusively reserves the right to widen its variable spreads, adjust leverage, change its rollover rates and/or increase the margin requirements without notice under certain market conditions including, but not limited to, significant order size, when trades from multiple clients are having the same characteristics, around fundamental announcements, as a result of changes in credit markets, illiquidity, infrequent price updates and/or at times of extreme market volatility.

For more information regarding the Company's margin requirements and leverage ratios, please refer to the Company's [Leverage Policy](#).

Execution of orders

We shall use our reasonable endeavors to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such order or that execution will be possible according to your instructions. If we encounter any material difficulty relevant to the proper carrying out of an order on your behalf we shall notify you promptly.

We shall accept instructions that have been transmitted by the Client only through the trading platform(s) or other electronic means and in a manner accepted by us. We reserve the right to reject, accept or proceed in partial fulfilment of Client(s) instruction(s) of any nature. We may, under certain circumstances, accept instructions by telephone or in person, provided that we are fully satisfied of the Client's identity and clarity of instructions. We will confirm that instructions have been received by the Client if it deems such confirmation to be necessary.

The Client accepts that BrightFX bears no responsibility for any instructions that have not been transmitted and/or have been misinterpreted and/or otherwise, for any reason.

The Client accepts that once BrightFX receives instruction(s) for trading financial instruments, such instructions will be considered by us final and cannot be cancelled or deleted, except where we expressly agree to such cancellation or deletion and give our agreement in writing.

Confirmations

At the end of each trading day, confirmations for all Transactions that we have executed on your behalf on that trading day will be available via your online Account on our website, which is updated online as each Transaction is executed. Confirmation of execution and statements of your Account(s), in the absence of manifest error, shall be deemed correct, conclusive and binding upon you if not objected to immediately by email.

You, the Client, will be able to download in durable medium trading reports on your trading account history. The reports available will contain information on the open, closed and pending orders. The report will disclose to the Client execution status of the order he/she placed, the instrument traded, the amount, the open rate, the open time, the close rate and close time (where applicable), any stop loss, take profit and charges related to the trade, such as commission and swap, and the relevant client's balance client's realized and unrealized equity at the time the report is extracted from our systems.

In cases where the prevailing market represents prices different from the prices posted by the Company, the Company will attempt, on a best efforts basis and in good faith, to execute market orders on or close to the prevailing market prices. Improper or Abusive Trading

The Company's objective is to provide the most efficient trading liquidity available in the form of streaming, tradable prices for most of the financial instruments we offer on the trading platform. As a result of the highly automated nature of the delivery of these streaming, tradable prices, you acknowledge and accept that price misquotations are likely to occur from time to time.

Should you execute trading strategies with the objective of exploiting such misquotation(s) or act in bad faith (commonly known as 'sniping'), the Company shall consider this as unacceptable behaviour. Should the Company determine, at its sole discretion and in good faith, that you or any representative of yours trading on your behalf is taking advantage, benefitting, attempting to take advantage or to benefit of such misquotation(s) or that you are committing any other improper or abusive trading act such as for example:

- a)** fraud/illegal actions that led to the transaction;
- b)** orders placed based on manipulated prices as a result of system errors or system malfunctions;

- c)** arbitrage trading on prices offered by our platforms as a result of systems errors; and/or
- d)** coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.
- e)** scalping trade or placing and closing orders or entering into positions for arbitrarily short period of time;
- f)** entering into transactions or combinations of transactions (voluntary and /or involuntary) such as holding long and short positions at the same or similar instruments at similar times, either by you or by you acting in concert with others for the purpose of manipulating the trading platform for gain;
- g)** abuse of negative balance protection by entering into hedge transactions between two accounts either held by you or by other clients of ours or any other broker by utilizing fully your leverage, engaging in essence in risk – free trading.

The Company will have the right to close any open positions subject to such abusive behavior as described above or cancel any Profit originating by you using abusive trading techniques as described above.

Then the Company will have the right to:

- a)** introduce time delays of up to 6 seconds between the placing of the order and the opening of the electronic trading platform in order to prevent scalping;
- b)** adjust the price spreads available to you; and/or
- c)** restrict your access to streaming, instantly tradable quotes, including providing manual quotation only; and/or
- d)** obtain from your account any historic trading profits that you have gained through such abuse of liquidity as determined by us at any time during our trading relationship; and/or
- e)** reject an order or to cancel a trade; and/or
- f)** immediately terminate our trading relationship

If the price of a share CFD is affected by a corporate action being applied on the underlying financial instrument, the Company reserves the right to perform ant necessary adjustments to the value and / or the size of the position held, aiming to neutralize the economic effect of the corporate action on the CFD price.

The Company will take all reasonable steps to ensure that it has reflected all market conditions affecting the price of the underlying financial instrument. In the event, that the Company is unable to fairly value the effect of the corporate action or in case the underlying financial instrument is being delisted from the relevant exchanges, the Company reserves the right to proceed to closure of your positions at the last official mid-price quoted on the underlying exchange prior to the relevant corporate action.

11. CLIENT MONEY

Client Money

We treat money received from you or held by us on your behalf in accordance with the requirements of the Client Money Rules. Upon receiving of any Client's Money we will promptly deposit it in one or more segregated account(s) held with Credit institution/s within or outside the European Economic Area ('EEA'), separated from the Company's money. Client's Money are always treated as belonging to the Client and under no circumstances will BrightFX use Client Money, at any time, to meet any of its obligations. The Client's Money will be pooled with money belonging to other Clients of the Company (the "Omnibus Account"), therefore, an individual Client will not have a claim against a specific sum in a specific account, in the event of insolvency. A Client's claim may be against the Client's Money in the Omnibus Account.

We will carry out reconciliation of funds on a regular basis as per the applicable legislation and in line with our internal policies and procedures, and we will proceed with any required transfer to or from the Client's Money Bank Account on the next business day, unless this is not possible for any reason.

The Client accepts that any funds shall be deposited in his/her trading account with BrightFX on the transfer value date, net of any transfer fees or other charges incurred by us or yourself that are imposed by the institution (or intermediary involved in the process) that holds the funds or otherwise occur.

Where BrightFX is or becomes unable to meet its obligations the Client may be entitled to compensation from CySEC under the "Investor Compensation Fund" scheme. We participate in the Investor Compensation Fund for clients of Investment Firms regulated in the Republic of Cyprus. You may be entitled to compensation under the Investor Compensation Fund. Any compensation provided to you by the Investor Compensation Fund shall not exceed twenty

thousand Euros (€20,000), applies to your aggregate claims against us. For more information please refer to our “Investor Compensation Fund Policy” available on our website.

Interest

BrightFX will not pay any interest on any Client’s Money held on your behalf, regardless where we receive interest on these Money or not. You, the client, acknowledge and confirm that no interest will be received on the balance of your account.

Credit Institutions

We will endeavour to hold client money on your behalf within Cyprus and the European Union, however we may also hold your money outside the EEA. The legal and regulatory regime applying to any banks outside the EEA will be different from the legal and regulatory regime in Cyprus and the EEA and in the event of the insolvency or any other analogous proceedings in relation to that bank or person, your money may be treated differently from the treatment which would apply if the money was held with a bank in an account in Cyprus and the EEA. We will not be liable for the insolvency, acts or omissions of any third party referred to in this clause. The funds will be kept in bank accounts denominated as clients’ funds and clearly segregated from the Company’s own funds. Funds deposited may be kept in one or more omnibus accounts with any authorised credit institution used to accept funds which the Company will specify from time to time and will be held in the Company’s name.

Due care, skill and diligence in selection of institutions where Client’s money is deposited

We deposit financial instruments held on behalf of our clients in an account and/or accounts opened with a third party, provided that we have exercised all due care, skill and diligence in the selection, appointment and periodic review of the third party and of the arrangements for the holding and safekeeping of financial instruments and provided that the third party is established in a jurisdiction where the safekeeping of financial instruments for the account of another person is subject to specific regulation and supervision and that third party is subject to this specific regulation and supervision. With regards to the deposit of clients’ funds, in the event we do not deposit clients’ funds with a central bank, we exercise all due care, skill and diligence in the selection, appointment and periodic review of the credit institution, bank or money market fund where the funds are placed and the arrangement for the holding of those funds. It shall be noted that we take into account the credit rating of the institution prior to depositing client money with the said institution. We also take reasonable steps to periodically monitor the credit risk of institutions with which client’s funds are deposited.

Denomination of Clients’ Funds Accounts and Segregation from Company’s own funds

We shall take all necessary measures in order to ensure that any clients’ financial instruments deposited with a third party are identifiable separately from the financial instruments belonging to the Company and from financial instruments belonging to that third party, by

means of differently titled accounts on the books of the third party or other equivalent measures that achieve the same level of protection. Similarly, as per the legislative requirement of Paragraph 6 of the Directive DI87-01, we, on receiving any clients' funds, shall promptly place those funds into one or more accounts denoted as "clients' accounts".

Diversification of risks

We shall ensure, where deemed necessary, the diversification of the clients' financial instruments and funds, for example the maintenance of accounts with several third parties. We may use multiple institutions to ensure diversification and allocate internal percentage limits for each institution.

Omnibus Account Risk

The Company may hold clients' funds in omnibus accounts within third party financial and credit institutions. In this respect, the client is warned that there is a risk of loss emanating from the use of omnibus accounts in financial or credit institutions. In such case it may not be possible to distinguish if the particular Client funds are held by a certain financial or credit institution. Omnibus accounts may also hold other types of risks including legal, liquidation risk, haircut risk, third party risk etc.

In the event of insolvency or any other analogous proceedings in relation to a financial or credit institution where clients funds are held, the Company (on behalf of the client) and/or the Client may only have an unsecured claim against the financial or credit institution, and the Client will be exposed to the risk that the money received by the Company from the financial or credit institution, is insufficient to satisfy the claims of the Client with claims in respect of the Account. The Company does not accept any liability or responsibility for any resulting losses so in the unlikely event of default the proportionate loss shall affect all of the Company's clients' monies held in omnibus accounts with the financial or credit institution. To mitigate this risk the Clients funds are being held in few reputable financial or credit institutions and constant exposure monitoring is taking place.

Unclaimed client money

You agree that we may cease to treat your money as client money if there has been no movement on your balance for six years. We shall write to you at your last known address informing you of our intention of no longer treating your balance as client money and giving you 28 days to make a claim.

Liability and Indemnity

You agree that we shall not be liable for any default of any counterparty, bank, custodian or other entity which holds money on your behalf or with or through whom transactions are conducted.

The Company will not be liable for loss suffered by you in connection to your funds held by us, unless such loss directly arises from our gross negligence, willful default or fraud.

10. MARGINING ARRANGEMENTS

Contingent liability

Where we effect or arrange a Transaction, you should note that, depending upon the nature of the Transaction, you may be liable to make further payments when the Transaction fails to be completed or upon the earlier settlement or closing out of your position. You may be required to make further variable payments by way of margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the market price of your investment will affect the amount of margin payment you will be required to make. We will monitor your margin requirements on a daily basis and we will inform you as soon as it is reasonably practicable of the amount of any margin payment required under this clause.

Margin call

You agree to pay us on demand such sums by way of margin as are required from time to time as we may in our discretion reasonably require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Transactions under this Agreement, in accordance with the applicable requirements.

Failure to meet margin call

Please note that in the event that you fail to meet a margin call, we may immediately close out the position.

Cash Margin paid to us is held as client money in accordance with the requirements of the Client Money Rules. Margin deposits shall be made by wire transfer, credit card, e-wallet or by such other means as the Company may direct.

Set-off on default

If there is an Event of Default or this Agreement terminates, we shall off-set the balance of cash margin owed by us to you against your obligations (as reasonably valued by us). The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under Clause 15 (Netting).

Negative pledge

You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the cash margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.

General lien

In addition, and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Regulations, we shall have a general lien on all cash held by us or our Associates or our nominees on your behalf until the satisfaction of the Secured Obligations.

15. NETTING

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default such as “**Bankruptcy Default**”, the automatic termination provision of this clause shall apply.

Liquidation Date

Subject to the following sub-clause, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the “**Liquidation Date**”) for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

The date of the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-clause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

- a) neither the Company nor the Client shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
- b) we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and
- c) we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the “**Liquidation Amount**”).

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occurs, in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 am (London time) (or, if no such rate is available, at such reasonable rate as we may select) plus one (1%) per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the particular terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

16. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the Clause 15 (Netting) we shall be entitled, without prior notice to you:

- a) instead of returning your investments equivalent to those credited to your account, to pay to you the fair market value of such investments at the time we exercise such right;
- b) to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder;
- c) to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or
- d) to cancel and/or consider void any Transactions and profits or losses either realised or unrealised and/or to close out the account(s) you maintain with us pursuant to this Agreement, immediately and without prior notice.

17. TERMINATION WITHOUT DEFAULT

Termination

Unless required by Applicable Regulations, either party may terminate this Agreement (and the relationship between us) by giving ten (10) days written notice of termination to the other. We may terminate this Agreement immediately if you fail to observe or perform any provision of this Agreement or in the event of your insolvency.

Upon terminating this Agreement:

- a) all amounts payable by you to us will become immediately due and payable including (but without limitation):
 - all outstanding fees, charges and commissions;
 - any dealing expenses incurred by terminating this Agreement; and
 - any losses and expenses realised in closing out any Transactions or settling or concluding outstanding obligations incurred by us on your behalf.
- b) The Company shall apply best execution rules in cases where you have not provided the Company with specific instructions regarding the closing of your positions.
- c) The Company shall return any funds remaining in your trading account to your bank account, specifically the account from which the funds were debited. Your funds may be returned to another bank account to which you are the beneficiary as long as you provide us with the required documents to verify that the account belongs to you.

Existing rights

Termination shall not affect then outstanding rights and obligations and Transactions which shall continue to be governed by this Agreement and the particular clauses agreed between us in relation to such Transactions until all obligations have been fully performed.

18. EXCLUSIONS, LIMITATIONS AND INDEMNITY

General Exclusion

Neither we nor our directors, officers, employees, or agents shall be liable for any losses, damages, costs or expenses, whether arising out of negligence, breach of contract, misrepresentation or otherwise, incurred or suffered by you under this Agreement (including any Transaction or where we have declined to enter into a proposed Transaction) unless such loss is a reasonably foreseeable consequence or arises directly from our or their respective gross negligence, willful default or fraud. In no circumstance, shall we have liability for losses suffered by you or any third party for any special or consequential damage, loss of profits, loss of goodwill or loss of business opportunity arising under or in connection with this Agreement, unless we have acted fraudulently and negligently. Nothing in this Agreement will limit our liability for death or personal injury resulting from our negligence.

Tax implications

Without limitation, we do not accept liability for any adverse tax implications of any Transaction whatsoever.

Changes in the market

Market orders are executed at the bid/ask prices offered through us. Pending orders (stop loss, limit (take profit), entry limit (to buy or to sell), entry stop (to buy or to sell) are executed at the then market price requested by you and offered through us. We reserve the right, at our full discretion, not to execute the order, or to change the quoted price of the Transaction, or to offer you a new quote, in case of technical failure of the trading platform or in case of extraordinary or abnormal fluctuations of the price of the financial instrument as offered in the market. In the event we offer you a new quote you have the right to either accept it or refuse it and thus cancel the execution of the Transaction.

Without limitation, we do not accept any liability by reason of any delay or change in market conditions before any particular Transaction is effected.

Limitation of Liability

We shall not be liable to you for any partial or non-performance of our obligations hereunder by reason of any cause beyond our reasonable control, including without limitation any breakdown, delay, malfunction or failure of transmission, communication or computer facilities, industrial action, act of terrorism, act of God, acts and regulations of any

governmental or supra national bodies or authorities or the failure by the relevant intermediate broker or agent, agent or principal of our custodian, sub-custodian, dealer, exchange, clearing house or regulatory or self-regulatory organization, for any reason, to perform its obligations. Nothing in this Agreement will exclude or restrict any duty or liability we may have to you under Applicable Regulations, which may not be excluded or restricted thereunder.

Responsibility for orders

You will be responsible for all orders entered on your behalf via an Electronic Service and you will be fully liable to us for the settlement of any Transaction arising from it.

Entire Agreement

You acknowledge that you have not relied on or been induced to enter into this Agreement by a representation other than those expressly set out in this Agreement. We will not be liable to you (in equity, contract or tort) for a representation that is not set out in this Agreement and that is not fraudulent.

Indemnity

You shall pay to us such sums as we may from time to time require in or towards satisfaction of any debit balance on any of your accounts with us and, on a full indemnity basis, any losses, liabilities, costs or expenses (including legal fees), taxes, imposts and levies which we may incur or be subjected to with respect to any of your accounts or any Transaction or as a result of any misrepresentation by you or any violation by you of your obligations under this Agreement (including any Transaction) or by the enforcement of our rights.

19. MISCELLANEOUS

Amendments

We reserve the right to amend the terms of this Agreement, from time to time, any part of the Agreement for any reason, especially, but not limited to, circumstances where the Company deems that such amendments are necessary to comply with any legal obligation or given an announcement by a regulatory authority of a competent jurisdiction. The Client shall ensure that they are informed of these changes at all times. Under such circumstances, the Client will be notified either in writing or through our Website accordingly and shall reserve the right to accept or deny the amendments according to the provisions of this clause.

Such amendment will become effective on the date specified in the notice. Unless otherwise agreed, any amendments will affect the ongoing business relationship between us, including any outstanding order or Transaction or any legal rights or obligations which may already have arisen.

You, the Client, understand that it is your sole responsibility to remain up to date with all changes and amendments introduced in relation to the Agreement between our parties. The applicable version shall be the latest version uploaded on our website and in the event of dispute the latest version shall prevail.

Jurisdiction

Each of the parties irrevocably:

- a) agrees for our benefit that the courts of Cyprus shall have jurisdiction to settle any suit, action or other proceedings relating to this Agreement (“**Proceedings**”) and irrevocably submits to the jurisdiction of such courts (provided that this shall not prevent us from bringing an action in the courts of any other jurisdiction); and
- b) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court and agrees not to claim that such Proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over it.

Service of process
